24-Hour Hotline 508.228.2111 • www.asafeplacenantucket.org

Ready for Occupancy

July 2025

19 Amelia Drive

Our Mission:

To work to eliminate domestic violence and sexual assault in the Nantucket community while empowering every woman, man and child to live a life free from violence.

WITH GRATITUDE

Dear Friends,

A Safe Place has just finished a year like no other and it would not have happened without you, our valued community of donors. We are so grateful for each and every one of you.

In less than one year's time, we have been able to buy new office space at 19 Amelia Drive and complete the renovations. The official move-in date was July 29, 2025 and we are very excited to be in a bigger space - something we have been in desperate need of for a long time.

We worked closely with Children's Cove, the Child Advocacy Center for the Cape & Islands, to design a dedicated forensic interview room and observation area. This will allow access to these services here on the island for the first time.

The benefits for child victims and their families are many, but most significantly, it eliminates lengthy and costly travel during a stressful time in their lives. It also decreases costs and enhances productivity for the various investigative agencies involved, including Nantucket law enforcement.

The Staff and Board also worked to complete and implement a new 3-5-year Strategic Plan. As an example, we expect to be housing at least two A Safe Place staff members by September in our second-floor apartments.

Community outreach and education are also key to our Plan's objectives, and we intend to expand our prevention programming by adding a new staff person to meet those goals.

While we were able to accomplish all this, we never lost sight of our counseling and advocacy services for survivors of domestic violence and sexual assault. In fact, over the last year we served 332 individuals. Although we hope that one day our services will no longer be needed, we are committed to continuing to offer services and programs completely free of charge to all in need - residents and visitors alike.

In appreciation,

Jane Loose, *Board Chair*

Jennifer Frazee, *Executive Director*

CAPITAL CAMPAIGN

Dear Friends and Supporters,

After being presented with a long-awaited opportunity, A Safe Place quietly launched a \$10 million Capital Campaign to purchase and renovate our first permanent home at 19 Amelia Drive, and to establish a fund that will ensure our long-term sustainability.

Thanks to the extraordinary generosity of donors who believe deeply in our mission, we have raised 85% of our goal.

All of us at A Safe Place are profoundly grateful for the incredible support we've received from Nantucket's year-round and summer residents.

With appreciation,

Paula and Bernie Swain

Capital Campaign Co-Chairs

SURVIVOR PROGRAMS

FREE AND CONFIDENTIAL

Domestic Violence

Advocates are available around the clock to answer our 24-hour hotline, provide crisis support as requested at Nantucket Cottage Hospital, and assist with restraining orders at the Nantucket Police Department and courthouse. Depending on specific client needs, our services can include providing basic emotional support and individual or group counseling, supplying items such as food and clothing and, in extremely high-risk situations, making safe home arrangements for survivors as part of an exit plan.

Rape Crisis

Trained Rape Crisis Counselors (RCCs) are available 24 hours a day to provide support and resources no matter when an assault occurred. Our RCCs offer in-person support and advocacy at Nantucket Cottage Hospital for survivors undergoing medical exams in the aftermath of sexual assault, provide on-going support and counseling (individual or group sessions) to survivors and their family/friends, and are available for continued support for survivors who enter civil or criminal court proceedings.

Trauma Therapy

A Safe Place's trauma therapy program is designed to improve the coordination of and access to services for persons who have experienced domestic violence, sexual assault, child abuse, exploitation, and/or have been a witness to violence. Trauma therapy services include, but are not limited to, mental health assessments, individual and group trauma therapy, advocacy, partnering with additional resources for case management, and facilitating referrals to other providers on and off the island as needed.

SURVIVOR PROGRAMS

FREE AND CONFIDENTIAL

Supervised Visitation

The Supervised Visitation Program provides a secure and comfortable environment for children to maintain a relationship with both parents while attempting to isolate them from conflict. A Safe Place offers a neutral environment for custody exchanges that prevents direct contact between parents/guardians, or the supervision of an entire visit between a child and a non-custodial parent or relative, where they can interact in a comfortable playroom setting while the visit is monitored by trained staff and on-site security.

Child Witness to Violence

Licensed clinicians support children and teens who have experienced or been witness to domestic, sexual or community violence, through individual and group counseling. Additionally, we currently run a youth sports and social skills group designed to improve peer relationships and teach interpersonal interaction skills that facilitate success in both the classroom and home settings. This program promotes confidence, organization, managing of emotions, healthy decision making, executive functioning, and improved peer relationships.

A Safe Place is Nantucket's only organization offering 100% free and confidential services and programs for survivors of domestic violence and sexual assault

PREVENTION EDUCATION

2025 Nantucket High School Keynote Speaker Ashley Bendiksen

Ashley with A Safe Place staff

Prevention education is central to our mission at A Safe Place. Our public and private school classroom programs are developed using age-appropriate information and skill building. The material is also reinforced through creative projects during our ongoing collaborations with the Nantucket Boys & Girls Club and via annual keynote speakers at Nantucket High School. Collectively, these initiatives aim to help youth build and foster healthy personal relationships while encouraging them to become mature peer and community advocates for relationships based on equality, non-violence, and respect.

Thank you to our community partners who make this programming possible.

Happy Family Poster Contest: A Safe Place in Collaboration with the Nantucket Boys & Girls Club

SUMMER FUNDRAISER 2024

JULY 11, 2024

A Safe Place held its 2024 summer fundraiser on July 11, 2024 at Great Harbor Yacht Club.

Keynote speaker, Katie Koestner, was on the cover of Time Magazine at age eighteen as the first woman in history to speak out nationally and publicly as the victim of "date" rape.

Katie has been featured on The Oprah Winfrey Show, NBC Nightly News, CNBC Talk Live, CNN, Larry King Live, Good Morning America, Later Today, MSNBC, Entertainment Tonight and other national television programs. She is the subject of an HBO movie and has lectured at over 5000 schools and universities around the world.

Additionally, Katie is the founder of the Take Back The Night Foundation, an international organization working to end sexual violence, support survivors, and raise awareness.

AWARENESS INITIATIVES

Domestic Violence Awareness Month
Silent Witness Project

Thank you to
our location sponsors:

A Safe Place works throughout the year to spotlight various awareness campaigns and initiatives with the goal of educating the public, inspiring change, and showing support for survivors so they never feel alone.

From awareness months that highlight domestic violence, sexual assault, supervised visitation, stalking, PTSD, suicide and more, to initiatives like our Human Trafficking Campaign, the goal is the same for gentle reminders that it does happen here and change is possible through education and awareness.
